

## Director

As a Director I will:

- Work as a team member with the entire Board of Directors.
- Be thoroughly and completely prepared before each meeting.
  - I will read and understand the information given to me.
  - If I do NOT understand something, I will exercise care to receive clarification before the meeting.
  - If not possible, I will receive clarification during such time as the issue is before the Board.
  - Ask questions until I get an answer that I understand
- Comment as appropriate on written materials and other's comments.
- Remember that I do not represent any constituency within the Association. I do not represent my company, my franchise, or even a specific group. My fiduciary responsibility is to the Board under Michigan law.
- Accept criticism as being helpful regardless of how it is delivered.
- Support the Board's decision and will not undermine the decision by distancing myself by informing others that I voted against it. I understand that the Board acts as a whole and I am responsible to support the Board's decision.
- Seek input from the REALTOR® members regarding issues.
- Listen to other Board Members.
- Voice my opinion appropriately.
- Attend all Board and Association meetings and functions.
- Read and become informed about the Association's Strategic Plan, governing documents, and services.
- Make a financial contribution to RPAC if at all possible.
- Disclose any potential conflict of interest.
